

Building Caribbean Capacity in Internet Governance

21ST TO 23RD AUGUST 2017 • GOVERNMENT'S TRAINING DIVISION, ROAD TOWN • TORTOLA, BRITISH VIRGIN ISLANDS

Workshop #1 Questions

1. Are the currently identified Caribbean priority areas for IG still appropriate?
 - a. Are any current areas no longer relevant?
 - b. Are there currently excluded areas that should now be included?[Consider in a 2017 – 2020 time frame]

Some random notes:

Gender inclusion is big at the LAC IGF and earlier Lynn had this as a priority consideration under the UN. I am not sure if this is a big issue in the Caribbean though.

Human rights

IG and the SDGs/Objectives – now included in both UN and LAC

2. What recommendations can be made to make the CIGF (process/event) more effective?
 - a. Re its organization
 - b. Re its content
 - c. Re participation
 - d. Re outputs, outcomes and successes
 - e. Re coordination among national, regional and international fora.

Some random notes:

*bottom up by inputs from the Natl IGFs and top down from the priorities of the IGF;
Collaboration or more interaction with other regional IGFs*

Youth inclusion/involvement ; Better systems for remote involvement/inclusion/participation
